

Wedding Belle (Five Star Expressions)

Ariel Barton, the director of a shelter for abused women, is about to receive an inheritance which will save the shelter from closing. But, in order to claim the inheritance she must marry before her 25th birthday. One week away. Without even a boyfriend in her life, she faces a difficult choice: Can she find someone to marry, anyone, as a matter of convenience before the week is out or will she have to forfeit the inheritance and lose the shelter as a result.
