

A Month of Thanksgiving

Discover an ancient path to the Fathers heart. Thankfulness captures Gods attention and invites the work of the Holy Spirit in our lives. Gratitude is more than the stuff of motivational speakers: its a spirit discipline capable of changing our lives. This small devotional book is a 30-day guide to developing a life of contentment and recognition of the goodness of God. Each daily devotion takes just a minute or two, but you will carry the thought with you all day. Each devotion provides a question for self examination, a practical idea for living into a life of thanks, and quotation from one of many spiritual guides throughout the ages. Before the stress and pressures of the Christmas season threaten to drive you crazy, find your spiritual center through the daily practice of gratitude and thanks.
