

## Restoring the Ministry of Jesus

When Jesus walked the earth, He did four activities on a regular basis: preaching, teaching, healing, and deliverance. Restoring the Ministry of Jesus is a call back to these four main areas of ministry. As you read you will be equipped to preach and teach by the power of the Holy Spirit, heal the sick, and set the captives free. But more than that, you will be stirred to seek the face of God and contend for your full inheritance in Christ!
